1004 S. Main St. #2, Stillwater, OK 74074

## Objective:

To serve as a Student Board Member for the American Meat Science Association (2026–2027), supporting student engagement and professional development within meat science.

## Education:

Oklahoma State University - Stillwater, OK  
Master of Science in Meat Science

Expected Graduation: May 2027

Oklahoma State University - Stillwater, OK  
Bachelor of Science in Animal Science

Graduation: May 2025

Bachelor of Science in Agricultural Communications

## Work Experience:

Graduate Teaching and Research Assistant

June 2025 - Present

Oklahoma State University Animal and Food Science Department

Stillwater, OK

- Assists in coaching the meat judging team, providing guidance and mentorship to students.
- Manages and aids in data collection and analysis of research projects while collaborating with departmental, university, and industry partners.
- Supports lectures and labs of five different courses by grading coursework, delivering lectures, developing lab outlines, and enhancing student learning.

Undergraduate Research Assistant

August 2024 - May 2025

Oklahoma State University Meat and Muscle Biology Lab

Stillwater, OK

- Assisted graduate and undergraduate research projects over meat quality and cutability.
- Performed laboratory techniques and served on trained color and sensory taste panels.

Communications and Education Intern

May - August 2024

American Meat Science Association

St. Louis, MO (Hybrid)

- Produced photography, videography, and graphic design content at two national conferences to be used for promotional, marketing, and educational materials.
- Supported planning and on-site execution of the Reciprocal Meat Conference by coordinating with speakers, managing submitted abstracts, and providing administrative support, serving over 1,000 attendees in Oklahoma City, OK.

Branding and Human Resources Intern

May - August 2023

Frick's Quality Meats

Washington, MO

- Increased employee engagement by planning companywide events with the Vice President.
- Developed employee recruiting tools and advertisement materials for print, web, and social media marketing campaigns while working with the Marketing Coordinator.

Communications Intern

March 2023, 2024, 2025

Oklahoma Youth Expo

Oklahoma City, OK

- Produced photo, video, and graphic content to promote events with over 8,500 exhibitors.
- Created marketing strategies to maximize media engagement within identified key audiences.
